

Malachi Martin in 1996 audio interview "Now as regards the mystery of Fatima it still stands.... So, Russia is within the plans. Why? Err....that would take me too far afield into papal secrets. Why Russia and Kiev are involved in the final solution of this problem. But they are. They are part-and-parcel and it's really God's choice. And it is purely and simply God's choice. Like he chose the Jews. He has His own favorite solutions. I wouldn't have chosen Russians or Kiev or The East for salvation. But salvation is to come from the East." The Kiev part is very interesting.

There's also a quote from Fr. Martin from a long interview on April 18, 1996. I can't find a recording for it, and I don't know who the interviewer is but anyway here's a quote: What's Russia's role in the Vision of Fatima? Malachi Martin: Russia's role in the Vision of Fatima is very important because if we're to believe the Vision of Fatima, salvation for the world, the cure for the world ills, will start in the Ukraine and in Russia, and that was why the Virgin in the Fatima vision of 1917 was supposed to have spoken actively about Russia and that Russia first of all has to be cured of her errors and then she will help the entire world to get better and to cure itself of its sins. It's a very bizarre message in that sense because one would have said that salvation was going to come from the West as we always think because we are Westerners, but no, according to the message of Fatima, salvation will come from the East, and particularly, from Ukraine and from the State of Russia itself, which is extraordinary.

The Prophetic Timeline

Ten phases. One sequence.

Every source converges: the serious events begin when Erdogan falls.

01 Fall of Erdogan Triggers Kemalist junta.	02 Turkey Attacks Greece 3 Islands, 40-day famine.
03 Russia Destroys Turkey One week.	04 Destruction of America Babylon Falls

09 Orthodox Renewal 30–35 years of peace.	10 Second Coming Christ intervenes.
 The False Council Assembly of the Godless.	

Phase 01 The Fall of Erdogan

Every source converges: the serious events begin when Erdogan falls. His fall triggers a Kemalist junta that betrays Russia.

"When the Jews hit Persia's nuclear program then the great events will begin. At the same time or a little earlier, Erdogan will fall." **Elder Theodore of Crete (†2016)**

"The serious things will happen when Erdogan falls. This is what the contemporary Saints who see tell us." **Metropolitan Neophytos of Morphou**

"Erdogan will fall, and after him inexperienced people, pro-Westerners, Kemalists will take power. They will ruin relations with Russia. They will betray Russia and make Russia furious."
Metropolitan Neophytos of Morphou

"I came as a refugee to this island. The Turks will continue to cut off heads until the head of the one you will meet tomorrow in Athens falls. Then history will turn a page." Saint Raphael of Lesbos

"She saw Erdogan covered in blood. Everyone mourned him. His son took his place, with the obligation to lead Turkey to elections. In his short tenure, Erdogan's son proved completely incompetent." **Vision reported by Elder of Pangaeus (living)**

Phase 02 Turkey Attacks Greece

Three islands seized. Cyprus struck. Savage famine for forty days.

"The Turks will seize three islands: Lesbos, Chios, and Rhodes. Their occupation will not last long — only three months." **Elder Vasilios Kafsokalyvitis (†1991)**

"Cyprus will receive a slap from the Turks, but it will be temporary. Turkey will be erased."

"Behold, I come quickly: hold that fast which thou hast, that no man take thy crown."

Revelation 3:11

Phase 03 Russia Destroys Turkey

Bosphorus closed. Russia invades through the Caucasus. Turkey destroyed in one week.

"When the Turks close the straits, World War III will come." **Saint Paisios the Athonite (†1994)**

"The Russians want to come out into the Mediterranean. God calls them as His instruments. They will obliterate the Turkish scourge within a week." **Saint Paisios the Athonite (†1994)**

"There will occur a very great earthquake in Turkey. Not a stone left upon another. Cross-shaped. Hagia Sophia will suffer nothing." **Anonymous Elder**

Saint Aristocles of Moscow (†1918)

"Babylon the Great will be destroyed. Revelation says it clearly. Who is Babylon? America."

Elder Joseph the Athonite (living)

Phase 05 World War III

"The first Easter will be bloody, the second hungry, the third victorious." **Archimandrite Jonah of Odessa (†1994)**

Phase 06 The Betrayal of China

China betrays Russia for Siberia. The greatest bribe in history.

"Only one thing will break the Russians — betrayal by the Chinese. Lured by control over all of Siberia." **Elder Athanasius of Evia (†2008)**

"The end would come through China." **Saint Seraphim of Sarov (†1833)**

Phase 07 The Battle of Constantinople

3 days, 3 nights. 18 nations. 700 million dead. Only Hagia Sophia survives.

"The blond nation will control the Seven-Hilled City for five or six months... the Great Philip with an army of 18 languages will begin a war such as has never happened. The killing will flow like a river, and the sea will turn darkened by blood." **Saint Methodius of Patara (c. 311 AD)**

"People will beg you to speak to them about Christ." **Saint Paisios the Athonite**

"The treasures of the earth will be opened and everyone will become rich. The earth will give its fruits 100-fold. He will rule for thirty-five years." **Saint Methodius of Patara (c. 311 AD)**

⚠ Warning — The Assembly of the Godless The False Pan-Heretical Council of Apostasy

Multiple saints warn of a false "Ecumenical Council" that will betray the Orthodox faith by uniting all religions under one roof — not to uphold truth, but to satisfy heretics.

"The last times are starting. Soon, there will be an ecumenical council called 'holy.' But that will be the very 'Eighth Council' which will be the assembly of the godless. All faith will unite into one at that council." **Saint Justin Popovich (†1979)** From his writings on ecumenism. Source: The Orthodox Church and Ecumenism (Lazarica Press) / Orthodox Faith and Life in Christ (ISBN 1-884729-02-9)

"Let our Serbian Church abstain from participating in the preparations for the 'ecumenical council,' indeed from participating in the council itself. For should this council, God forbid, actually come to pass, only one kind of result can be expected from it: schisms, heresies and the loss of many souls." **Saint Justin Popovich (†1979)** From his 1977 letter to the Serbian hierarchy.

"During that time the Eighth and last Ecumenical Synod will take place, which will satisfy the contentions of the heretics." **Saint Nilus the Myrrh-Gusher (†1651)**

"Satisfy the contentions of the heretics" — meaning the council will give heretics what they want: the compromise of Orthodox truth for false unity. Source: Tzima Otto, H. The Great Monarch and WWII in Orthodox, Roman Catholic and Scriptural Prophecies (Verenikia Press, 2000), p. 111.

"These are the worldly people, the heretics, who abandoned the one Holy Catholic and Apostolic Church and recognized [a new church]. In this church they do not fast, do not attend services, and do not receive Holy Communion." **Saint John of Kronstadt (†1908)**

From the 1901 vision, guided by Saint Seraphim of Sarov. He saw a dark pseudo-church containing "a star" on the Holy Table instead of a cross, and "a Gospel with stars" — new liturgical symbols replacing Orthodox ones. Saint Seraphim told him: "This place is the abomination of desolation." (Monk Leontios translation)

"This place is the abomination of desolation." **Saint Seraphim of Sarov (to Saint John of Kronstadt, in the 1901 vision)**

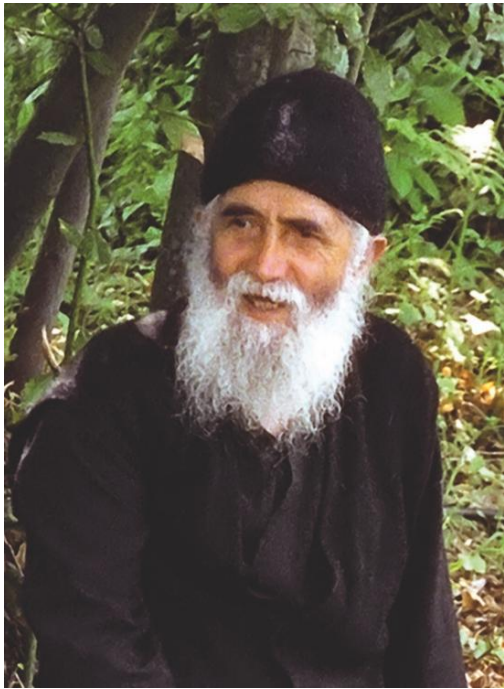

Phase 10 The Antichrist & The Second Coming

After 35 years of peace, the final apostasy. Then Christ intervenes.

"The Antichrist has not yet come. Before that, Constantinople must be given back. The Holy King will reign thirty-three years." **Elder Ephraim of Arizona**

"It will be only a storm. Then Christ will give it a slap. Christ will appear at the dead end of humanity to save His creation." **Saint Paisios the Athonite**

Itinerary of the Great War

Saint John Chrysostom († 407):

After being asked, when will the end of the world be," Saint John Chrysostom responded, "When shame disappears from women."

Saint Elias Diamantides (†1946):

“There will come a time when men will become women, and women will become men. Then a great curse will fall on the world. There will be a war in Istanbul and the Russians will win. It will go all the way to the Euphrates River. Agia Sofia will open and operate. And he was saying: 'Wake up Russia and draw your weapons.’”

Elder Ioannh Kalaidis (†2009):

In the year when Easter falls on May 5, the events for the City will begin."

"My children, I am leaving, but I am very happy because the good God heard, not me, the last one who prayed for this matter, but many prayed for this matter and God gave me mercy! Know that when that time comes for them to give the ID, don't rush to get it! God will intervene, the events of the City will take place and together with Greece, because for Greece this grace will be done by God, other peoples will be saved who were ready to take this identity and millions of innocent souls would be lost!"

(This year in 2024 Easter did fall on May 5th. Saint Seraphim de Sarov said that The Great War will start after his Feast Day which is on July 19.)

Already Taken Place

1. Turkey will block the flow of the Euphrates. (Paisios) This happened in 2018.
2. UK withdraws from EU. This happened February 1, 2020

The Earthquakes

The Greco-Turkish war will begin in the year in which the USA and Asia will be shaken by two great earthquakes that will level everything within a radius of thousands of kilometers. Possibly an earthquake in Greece as well.

The Road to Lamia

The road connecting Domoko to Lainia is the new E65. This section is now complete. It is a 39-minute drive. As of April 2024, there is only the remaining 46-kilometer (28.58-mile) section from Kalambaka to the Egnatia Odos motorway.

Giorgos B. refers to one of the long trips he had with the Elder of the Agrafos, Father Panagiotis Tsiolis († 20XX):

“As we were traveling after Lamia to Domokos in 2011 if I’m not mistaken, my grandfather turned around and asked me George, if there is a war, where will you show up?' 'If I remember correctly, my [military orders] mention Evros, Father,' I answered him, 'You won't show up there.

You're going to Rio. You will wear a cross. And there you will be assigned the task of informing the inhabitants to go to the mountains to the right of Nafpaktos because troops from NATO will pass and they will attack what they find on their way.' But do we have a base in Rio (located outside of Patras), I was wondering. Spontaneously I asked the Elder, 'When will the war take place?' 'The war, George, will break out when the new road connecting Domoko with Lamia is completed. 'Then there will be a great famine in Greece. It won't last long. And then we will go to the City (Constantinople)'. It should be noted that at that time the new Domokou-Lamia road had begun to be carved. I do not hide that at that time I did not pay much attention to what my grandfather said. However, I started to bring them back to my mind, when after ten days there was a change in [my military orders] and the new one said that, in case of conscription, I would have to report to Rio, near Patras. In fact, according to what I am learning now, the new road is planned to be handed over to traffic in a few months.”

Israel Attacks Iran

Israel will strike Iran's nuclear program.

Elder Theodoros Agiofarangitis of Crete (†2016):

"My children, you will drink your coffee and hear that the Jews have struck the nuclear program of Persia! Then the great events will begin! And at the same time, or shortly before, Erdogan will fall."

Turkey Attacks Greece

1. Annexation of Cyprus to Turkey. Turkey aims to create a new state and a new European Economic Area. This possibly takes place on one of the following dates:
 - a. May 29 (Fall of Constantinople)
 - b. July 20 (Turkish invasion of Cyprus) - Most likely
 - c. August 30 (Day of “victory” against the Greeks in 1922.
2. Naval blockade of the Dodecanese Islands by the Turkish Navy. Possibly the islands of Ro and Strongyli Megistis to:
 - a. Prevent Greece from moving toward Cyprus.
 - b. Prevent the union of the EEAs of Greece and Cyprus
 - c. Create fear and cause Greek residents to flee to the mainland.
 - d. And to hurt the main tourism and economic artery.
3. This attack will last 3 days.

Note: A well-known Elder from Agios Nikolaos confided in a Saint-Tafist Monk from Mount Athos that after Easter in 2016, the Turks had planned an invasion of Panagia Island, next to Oinousses. This invasion was thwarted by the Theotokos and prayers from Holy Mount Athos. In 1999, Panagia prevented a major Turkish invasion of three Greek islands, Samos, Kos and Rhodes, with the warning and prayer of the same Elder.

NATO Response

1. America and France will assist Greece with an aircraft carrier and tighter squadrons. Russia will also respond.
2. Without declaring war. Greek and French submarines will sink Turkish ships.
3. This will lead to an upheaval in Turkey. This failure will be considered the sole responsibility of Erdogan. Erdogan will be overthrown within hours by the Kemals, who will take over the Government. They will begin conscription, declare war, and invade two Greek islands.
4. Cyprus will be liberated without war.

Metropolitan of Neophytos of Morphou:

'Nothing serious will happen as long as this Erdogan lives! Know this: serious things will happen when Erdogan falls. This is what the modern Saints we see tell us. Because the poor man will fall. He will be humiliated. When he falls, take this as a sign.

“And a great blessing that will come and Hatziflorentzos prophesied it before 1967, all of Cyprus will be freed! We may have some events during the three days, but it will not be a War like in 1974!”

"The other great good, which will definitely solve the problem of Cyprus, is that many Turks will be Baptized! Both in Turkey and Cyprus!"

Russian Response

Regime change in Turkey, such as Kemaliko, is pro-NATO and pro-American and therefore anti-Russian.

1. After declaring war with Greece, the new pro-American Turkey will close the Bosphorus Straits to all Russian ships.
2. NATO will deploy armed forces in the Black Sea. This will anger Russia.
3. Russia will invade Turkey on two fronts from the Black Sea and by land through Georgia.
4. Turkey will be completely decimated.

In addition to NATO closing the Bosphorus Strait and the Turkish invasion of the Aegean islands, which would mean a complete naval blockade of Russia, another reason for Russia's involvement is the possible assassination of the Ecumenical Patriarch Bartholomew.

Greece will declare war against Turkey for the direct invasion of the two Greek islands by the Kemalists. This will become a justification for claiming Constantinople and the Bosphorus Strait post-war.

The Russians will declare protection of the Christian populations and the Phanar. The Russian army will march toward Constantinople and catch up with the Greek Army, which will be preparing to cross the Evros to advance towards Hagia Sophia. Russia will take Constantinople.

Saint Gabriel through Christon Salou of Georgia (†1995):

“Ah, Georgia, my country, you will melt like a torch from the Russians! But then you will be glorified. After the ruins they will cause.” When asked why Georgia will melt like a candle, he replied, "This is where the Russian troops for Turkey will pass!"

Disaster in America

Elder Ioannis Kalaidis emphasized many times that before Greece takes Constantinople, America will suffer a massive disaster. Something terrible will happen to America. This explains why Russia will be able to invade Turkey undisturbed by NATO, literally sweeping it, until it reaches the outskirts of Jerusalem, even as far as Mount Tabor.

Around 400 miles to the East of the San Andreas fault in California stands the famous Monastery of Saint Anthony in Arizona. It was built as a bastion of Orthodoxy and protection of the pious in America by the sanctified Elder Ephraim († 2019) himself. Thanks to this Monastery and the tomb of the Elder, this disaster will not be allowed to go any further. At that point it will not be a simple seismic disaster, but there is concern that whole cities will sink into the Pacific and the Gulf of California. This will be a huge biblical disaster that will stop the power of the USA.

Saint Aristocles of Moscow (†1918):

“America will feed the whole world but in the end it will collapse.”

“In the heart of North America, a giant volcano explodes and causes a terrible state of emergency. The explosion will cause a very strong earthquake. The water, the air and the earth will be poisoned. Neither the beast, nor the bird, nor the man can live longer in the contaminated earth for a long time.”

Elder Vasilios Kausokalyvitis († 1991):

“And here in Greece we will have a lot of bad things, but not like those in America. America will go out! Do you hear? It will turn off! It will not have life at all! Not here and there! Not at all! It will turn off! From weather phenomena, from diseases, and from vengeance of other countries. because they are the cause of the evil that happens to humanity, the worst will happen! Why did they not repent?!”

"The American wants to squeeze the Russian, but in the end he will pay dearly. America will become partial. And here we will have many bad things, certainly not those of America. America will die out; it will have no life at all, not here and there, not at all. It will be extinguished by natural phenomena, by diseases and by revenge of other states. Because it is the cause of the evils that happen to humanity. The worst will happen because they did not repent..."

Elder Ioannis Kalaidis (†2009)

“First something will happen that will bring America to its knees. She will cease to be a superpower. Russia will be a superpower and then events will happen. Great harm will come to America.”

"America will suffer a great geological-biological disaster for the disasters that have caused the unjust death of in many innocent people.”

Elder Joseph Vatopedinos (†2009):

“America will be completely destroyed, and ninety percent of its citizens will be killed.”

'Saint Charalampis had prophesied that Russia would become a world superpower for five and a half months, but in the end, it would be defeated by the Americans. However, they won't find hands to applause. Essentially, it will not exist. As the ground will be turned into one immense cemetery.'

Elder Anthony the Russian:

"First of all, all kinds of catastrophes - the system of existence created by man, in fact, satanic, because it absolutely contradicts the laws of God, will begin to break down. Planes will fall, ships will sink, nuclear power plants and chemical plants will explode. And all this will be against the backdrop of terrible natural phenomena that will occur throughout the earth. but especially strongly in America. These are hurricanes of unprecedented strength, earthquakes, severe droughts, and conversely, flood-like downpours. A terrible monster, modern Sodom - New York will be wiped off the face of the earth. Gomorrah Los Angeles will not remain without retribution."

"Cities will be a terrifying sight Even those that avoid complete destruction, deprived of water and electricity, heat and Food supply, they will resemble huge stone coffins, so many people will die. Gangs of bandits will endlessly commit their atrocities, even during the day it will be dangerous to move in the city, but at night people will gather in large groups in order to try to live together until morning. Sunrise, alas, will not herald the joy of a new day, but the grief of the need to live this day."

World War III

God will stop the Russians at Mount Tabor.

Saint Philomena the Agiotaphite († 1979):

"My children, I will tell you something that you will live, but I will not live to see it. Until here, in the plain of Tabor, the Russian Army will come. He will come down from the Caucasus [Georgia] and will do a lot of destruction! His goal will be to reach Jerusalem! But it will stop here. God will not allow it to go further."

World War III will begin. The Catholic Pope and Israel will make an international appeal to NATO to intervene against Russia. Many countries will attack Russia at the same time. Even Japan attacks Russia from the East. Russia will not be able to fight on so many fronts and will begin to retreat. Nuclear weapons will destroy the big cities of Russia's enemies.

Russia will keep the Islamists as an ally while it will claim to the Turks that it entered to overthrow the atheist Kemalists and will once again give the Government of Turkey to Erdogan's Islamists, making them loyal allies, who will fight with it against NATO and the US! Constantinople will then be mercilessly hit by the Westerners, with the result that not even a Turk will remain there.

This war will last two years.

Saint Paisios († 1994):

"Know that Turkey will also fall apart. There will be a war that will last two halves."

Schema-nun Antonia († 1998):

"The war will be two [years]. Fast."

Schema-Archimandrite Jonah of Odessa († 1994):

"There will be a war. This will last two years."

The first Easter will be bloody, the second will be hungry, the third will be victorious."

St. Cosmas of Aetolia († 1779):

"In the City [Constantinople] so much blood will be shed that a three-year-old bull can swim in it."

"Troops heading to Constantinople will pass through the Muzini valley. Let the women and children go to the mountains. They will ask you: "Is the City far away?" Answer: "It is close." By answering this way, you will avoid many troubles."

"When you hear that the fleet is sailing in the Mediterranean, know: the Constantinople issue will soon be resolved."

"The troops will not reach the city even half the way when they receive the news that the "desired" has arrived.

"There will be another foreign army. They will not know Greek but will believe in Christ [Russia]. They will also ask: "Where is the city?"

"The Antichrists [Turks] will leave, but will return again, then you will pursue them to the Red Apple Tree."

"The Turks will leave but will return again and reach Eksamilia. Of these, one third will perish, one third will believe in Christ, and one third will go to Kokkini Miglia."

Hellenic Constantinople

Constantinople will be given to Greece. King Saint John III, Duke of Vatatzes may arise to rule. By the order of the Holy Elders, Greece will be kept out of World War III, which will neutralize the great powers and Islam. Humanity will despair, once again highlighting the peaceful Orthodox Greece as a new global power of creation and humanity. Our authentic Orthodoxy will then spread everywhere, even India and China, with people longing for its peace and love, its brotherhood and the divine assurance it provides. The Greek language will again become sought after, as the only one that can express, with the greatest possible perfection, the divine meanings and the Gospel.

The Antichrist

There will be peace, prosperity, and joy for several years throughout the earth, until the Antichrist comes to once again spoil the Godly happiness of people and deceive the world. He

will say that he is Christ and make false miracles, while his deformed and terrible demons will be presented by him as "aliens" who allegedly came with him to earth. First, but at the last moment of the swearing-in, will be captured by our Patriarch in Jerusalem and immediately after by the Jews themselves, whom he will have to exterminate immediately, so that they do not reveal that he is not the Messiah, but the Antichrist Devil!

Then the universe, the creation of the True Christ, will rebel against the lie and the Liar. The sun will be darkened, the sea will be polluted, and everything will abhor his Antichrist's kingdom. The earth will refuse to bear fruit and a great famine will fall on the world, which the Antichrist will take advantage of to seal people with a seal of loss (666), so that he can take them with him to Hell, out of hatred for the creations of the Triune God.

In the end, however, the real Christ will intervene, and His Second Coming will take place at midday, The Resurrection of all humans from Adam and the Judgment. Blessed are the believers of Christ, the Virgin Mary, and the Saints, but also the righteous and virtuous before Christ, like our ancestors, who will inherit the Kingdom of Heaven, the incomparable Paradise, the eternal sweet life that will never end, living in eternal youth and joy!

Schema-Archimandrite Christopher († 1996):

"He said that there would be a strong war and very few people would remain (on earth). There will be heat after the war and terrible famine throughout the entire earth, and not just in Russia. And the heat is terrible, and there will be crop failures for the last five to seven years. At first everything will be harvested, and then the rains will come, and everything will be flooded, and the entire crop will rot, and nothing will be harvested. All rivers, lakes, reservoirs will dry up, and the oceans will dry up, and all glaciers will melt, and the mountains will move from their places. The sun will be very hot. He said that after the war there would be so few people left on earth, so few... that Russia would be the center of the war."

Testimonies

Testimony 1:

"In 2004 during two visits we made to Papa-Ioannis, he told us about Istanbul. He told us that when he visited the Holy Father Paisios in the Monastery of Sourotis, he said to him: 'Father John, the time is approaching when we will take Constantinople.' The grandfather (Papa-Ioannis) told us: 'The Russians will take the city and give it to us because they will believe that it is in their best interest. Great evil will come to America. Then the Europeans will consent to give us the City from the Russians. Before this great evil is done in America, the Europeans will not consent.'"1

Testimony 2:

"Just before falling asleep, he told us that the years related to Constantinople are very close, that I will leave for the Heavenly homeland, but you will catch them, you will live them. He also stated that America will suffer a great geological-biological disaster for the disasters they have caused and the unjust death of so many innocent people."2

Testimony 3:

"On one of our visits to the grandfather (Papa-Ioannis) and without asking him, he suddenly told us: "The time has come to take back Constantinople, it will become Greek again!" When I asked him when this would happen, he replied: "Soon. Very soon nowadays" I asked him again- "So when? Tell us a date" Then his answer was: 'Ah! All and all dates no no. This is God's plan, but no dates.' He also told us that first something would happen that would bring America to its knees. She will cease to be a superpower. Russia will be a superpower and then the events will happen." He also told us: 'All of you who are here (we were nine people of various ages) will go to the City and it will be Greek. But I won't make it. I will have gone to heaven!'"³

Prophecies Regarding America

Saint Aristocles of Moscow († 1918):

"America will feed the whole world but in the end it will collapse."

"In the heart of North America, a giant volcano explodes and causes a terrible state of emergency. The explosion will cause a very strong earthquake. The water, the air and the earth will be poisoned. Neither the beast, nor the bird, nor the man can live longer in the contaminated earth for a long time."

Elder Vasilios Kausokalyvitis († 1991);

"And here in Greece we will have a lot of bad things, but not like those in America America will go out! Do you hear? It will turn off? It will not have life at all! Not here and there! Not at all! It will turn off! From weather phenomena, from diseases, and from vengeance of other countries, because they are the cause of the evil that happens to humanity, the worst will happen! Why did they not repent??"

"The American wants to squeeze the Russian, but in the end he will pay dearly. America will become partial. And here we will have many bad things, certainly not those of America. America will die out, it will have no life at all, not here and there, not at all. It will be extinguished by

natural phenomena, by diseases and by reneiges of other states. Because it is the cause of the evils that happen no humanity. The worst will happen because they did not repent..."

Saint Porphyrios the Kalyvite († 1991):

"When a black President takes over the governance of the United States of America, then their destruction will approach."

Saint Paisios (1994):

"We don't expect anything good from the West. The sun continues for so many years to go to the West and still it has not brightened, but it is getting dark."

"Everything is ruled by God's Word, not by the Americans or the Jews... They prevail once, because God allows it to discipline His people..."

"...The bread of the EEC is few... The English and the Americans are a people who work together... he tells you, what is going on here?... Does Hitler raise his head again? ...and they will dissolve it."

"The meanings of all these are captured by international Zionism, the international stock market called America. America doesn't exist. Zionists are America. So after they receive the satanic messages, they promote them to the Vatican, this turns them into plans and then invites Islam to implement them. This is the way satanic schemes work today. They succeeded and captured our leaders."

"People from different places went to America. Each one carried his rag and so there was a rag. America is like a loom, which assimilates all the rags, while in the EEC there are conflicting and intertwined interests."

"The time will come when the slave will become master, and the master will become the slave."

"America is like a fox and walks with all four legs, but the day will come when all four legs will be trapped in the traps that she set for others."

"America will be frightened by the power of Russia and will fear it."

Josyp Terelya (2009):

"At the beginning of the 21st century there will be a terrible war. I was shown a map of Russia in a ring of flashes of fire. The outbreaks blazed in the Caucasus, Central Asia, the Baltic states and throughout the Far East, where China became Russia's adversary. The leader of Russia named Vladimir will unleash a war with Israel. There will be a devastating earthquake in California. After all the terrible cataclysms, the golden age will begin."

Elder Ioannis Kalaidas († 2009):

"First something will happen that will bring America to its knees. She will cease to be a superpower. Russia will be a superpower and then events will happen. Great harm will come to America.""

"America will suffer a great geological-biological disaster for the disasters that have caused the unjust death of so many innocent people."

Elder Joseph Vatopedinos (2009):

America will be completely destroyed and ninety-percent of its citizens will be killed."

"Saint Charalampis had prophesied that Russia would become a world superpower for five and a half months, but in the end it would be defeated by the Americans. However, they won't find hands to applaud. Essentially, it will not exist. As the ground will be turned into one immense cemetery."

Elder Anthony the Russian:

"First of all, all kinds of technical catastrophes - the system of existence created by man, in fact, satanic, because it absolutely contradicts the laws of God, will begin to break down. Planes will fall, ships will sink, nuclear power plants and chemical plants will explode. And all this will be against the backdrop of terrible natural phenomena that will occur throughout the earth, but especially strongly in America. These are hurricanes of unprecedented strength, earthquakes, severe droughts and, conversely, flood-like downpours. A terrible monster, modern Sodom - New York will be wiped off the face of the earth. Gomorrah Los Angeles will not remain without retribution."

"Cities will be a terrifying sight Even those that avoid complete destruction, deprived of water and electricity, heat and Food supply, they will resemble huge stone coffins, so many people will die. Gangs of bandits will endlessly commit their atrocities, even during the day it will be dangerous to move in the city, but at night people will gather in large groups in order to try to live together until morning. Sunrise, alas, will not herald the joy of a new day, but the grief of the need to live this day."

Blessed Mary of Greece:

"After the War, China will become the world leader and America will dissolve."
